TECH FAIR

Special Education/Assistive Technology Resource Event held every two years in conjunction with the districts/cooperatives of the N.I.A. region and Northern Illinois Center for Adaptive Technology (N.I.C.A.T.).

We can assist you in:

- identifying services needed.
- the brainstorming of strategies within an on-going, team process.
- obtaining information regarding evaluations.
- implementing/documenting existing equipment/services.
- securing loan equipment/funding options.

N.I.A. *does not* conduct assistive technology evaluations.
