

Autism Consultant Networking Opportunity

April 14, 2008 from 3:00 - 4:00 p.m.

Northwestern Illinois Association
Satellite Office
2422 W. Main St., Suite 3A
St. Charles, IL 60174

Join the NIA Regional Autism Team and other district and special education cooperative autism consultants for a mini-networking opportunity after the Open House (11:00 am - 3:00 pm). This will be an opportunity to reconnect with other professionals with similar positions and responsibilities and find out what is happening in northern Illinois. CPDU's will be offered for both activities. Bring questions to discuss, new materials, and ideas to share with other autism consultants in the NIA region.

The Autism Resource Library materials will be available for checkout. Samples of visual supports and work systems will be on display - bring a camera if you'd like! We have many new books, DVD's and visual support samples.

Bring your ideas and join us for a great time!

Please RSVP by contacting Tina at 815-964-0937 x 14, or tbrandt@thenia.org. Online registration for the Open House is available @ <http://www.thenia.org/aroh>
Thank you!
