

Autism Open House and Make-and-Take Workshops

Do you need time to develop and make materials for your child or student with autism spectrum disorder? Do you have children or students who learn best with visual supports? This workshop is designed for you

Come with your team or on your own and spend time with the NIA Autism Team to develop individualized visual supports such as schedules, daily routines, and communication systems. Make work systems, write social stories, and more. Learn about curricular adaptations, sensory processing, and communication.

Browse the resource library, use Boardmaker, or watch a video on autism. You will have time to ask questions and increase your knowledge about Autism Spectrum Disorders. Bring a camera to take photos of ideas for visual supports to make later.

CPDU's for teachers, and CE's for OT/PT/SLP's will be offered based on your on-site participation (minimum of one hour). Paraprofessionals, parents, family members, and caregivers are welcome There is a \$10.00 fee for the Open House and Make-and-Take to cover materials. **PRE-REGISTRATION IS REQUIRED SPACE IS LIMITED Thank you**
