

WEBSITES OF INTEREST

www.adaptedlearning.com

Free web resource from Mayer-Johnson and Dynavox – file sharing and more!

www.audiblekids.com

Website with audio books for kids – nearly 4,000 titles, playable on iPods and other devices/players.

www.classicreader.com

Free online collection of thousands of books

www.enablemart.com

Very valuable website. Take a look at products from En-Vision America – audible prescription reader (a pilot project is currently wrapping up with Walgreens – will be expanded in the future to offer this device/labels for no charge.)

www.mypreciouskid.com/temporary-tattoos.html

Temporary tattoos for safety, identification, health, etc. of individuals with special needs.

www.ozmofun.com

Unique resource for many fun toys – light up, spin and more. Many selected for people with autism and Asperger Syndrome.

www.priorywoods.middlesbrough.sch.uk/

Check out this website for great resources to use like switch activities, books and more.

www.readwritethink.org

Lesson plans, activities, crossword puzzles, free learning games to play

www.tammyworchester.com

Tips, activities, ideas and more!

www.wikkistix.com

Makers of Wikki Stix. Check out their ideas for students with special needs, including those with visual impairments.
