

Northwestern Illinois Association

Assistive Technology Services

Inservices

Offered regionally or we can assist staff in arranging local workshops

Resource Mailings (Nov/April)

Sent out to key staff across the ten-county N.I.A. region

Consultative Resources

On-site, by phone/fax/email, during our autism consultations

Networking Opportunities

For Assistive Technology & Augmentative/Alternative Communication

Loan Library

Books/manuals/videos/limited devices

N.I.A. does not conduct assistive technology evaluations. However, we can assist you in:

- identifying services needed**
- the brainstorming of strategies within an on-going, team process**
- developing/supporting local teams**
- providing information regarding out-of-district evaluations**
- implementing/documenting existing equipment and services**
- obtaining loan equipment/funding options/other resources**
