Student Placement Process

1. Send the most recent evaluation, IEP and other documentation to Jon Malone (jmalone@thenia.org)
 - a. Students must have a primary or secondary D/HH eligibility.
 2. NIA reviews the documentation to determine if/how the program can support the student.
 3. NIA representative may choose to observe student in their current setting for more information.
 4. NIA will discuss recommendations with directors and determine acceptance.
 5. Julie Lenz will set up a program tour for the district and family.
 6. NIA representative will attend the IEP meeting.
 7. Family registers with NIA and a start date is established.
- *process may vary depending on unique circumstances*
